

Probe Figure Fights Back *News 4/17/67*

NEW ORLEANS, April 17, (UPI) — Attorney Dean A. Andrews Jr., who gave legal advice to Lee Harvey Oswald, goes to court today to fight a perjury indictment growing out of Dist. Atty. Jim Garrison's probe of President Kennedy's assassination.

Mr. Andrews and his attorneys were to appear in Criminal District Court to argue a motion to quash his New Orleans grand jury indictment and to set aside \$1000 bond he posted.

It was disclosed in Baton Rouge, La., yesterday that Mr. Andrews did legal work for an electronics firm headed by Gordon Novel, a Garrison investigation figure now in Columbus, O., under \$10,000 appearance bond.
